Face to face and eyes to eyes  
Corona Time in Amerika  
A virus of hate and a plague of lies

Step right up get your place in line  
Bring all your germs and I'll bring mine  
Don't wear a mask, But praise the Lord  
Don't wanna be late for the Darwin Awards  
Don't wanna late for the Darwin Awards

Mega white churches all full to the brim  
With fundamental views and racist vim  
Pass around the cup of corona wine  
Spread the Novel truth who's next in line  
Spread the Novel truth who's next in line

## Minneapolis in Amerika

Minneapolis in Amerika,  
It's every where in Amerika  
Police control in Amerika  
Out of control in America  
Out of control in Amerika

Shoot first, then lie  
Don't let 'em breathe and watch 'em all die  
The rednecks came out, to set the bait  
Its that old time racism in every state  
That old time racism in every state

## Breaking Chains

That good old time racism  
Why oh why  
Well, the slaves set fire to the big house  
Why oh why  
Breaking chains and taking names  
Why oh why  
Tearing down the old icons  
Breaking chains and taking names  
Breaking apart the golden calf  
Why oh why  
Burning down the graven images  
Breaking chains and taking names  
Why oh why

Racists and bigots and maggots  
and fascists  
Racists and bigots and maggots and fascists  
They've all crawled out  
They're here to play  
Corona Time  
The American Way

Amerika  
The Corona lie in Amerika  
Why oh why oh why ?  
Saint Rupert  
And his flock  
Amerika  
What the Hell is going on round here  
Foxes and sheep  
Why oh why oh why?

## Corona Hymn I

Corona Time is not for everyone who's here  
There's some who can't believe  
And some, don't care.  
The dead pile up in frozen trucks parked in the back.  
And most of them are either brown or black.  
So get back to work and gladly give your life  
While people with more money hold the knife  
It's all the democracy that money can buy

## All You Can Buy

It's the corona lie  
It's the Endtimes and the rapture draws near  
The Cheater prophet and his army are here  
There's Mr Liberty without a mask  
And Mr Patriot who's afraid to ask

It's all the sin that you can buy  
its all the sin that you can sell  
And its all for sale  
At the big White House  
At the corner of heaven and hell  
Yes it's all for sale  
At the big White House  
At the corner of heaven and hell.

Its a good time for the Wall Street tools  
The Cheater Jesus and his ship of fools  
Mr Liberty and all of his guns  
And Mr Klan who thought the south had won  
It's all the lies that you can live  
And all the lies that you can tell  
And it's all for sale  
At the big white house  
At the corner of heaven and hell  
Yes it's all for sale  
At the big White House  
At the corner of heaven and hell

## All You Can Buy (continued)

Amerika Amerika  
Amerika Amerika  
It's all the votes that you can buy  
And all the votes that you can sell  
And its all for sale  
At the big White House  
At the corner of heaven and hell  
Yes it's all for sale  
At the big White House  
At the corner of heaven and hell

It's time to leave  
The big white house  
Get out  
Get out

## All The Ventilators

All the legislators  
All the fabricators  
Manipulators  
All the sergeant majors  
All the ventilators  
Will be rinsed Clean off the earth

And the Cheater King

Will be anointed With crude oil  
And the Cheater King  
Will be anointed With crude oil

## Winged Messengers

By  
Winged messengers from curious places  
Winged messengers with curious faces  
Winged messengers with secret cases  
Winged messengers from secret bases

When you take  
your fingers out of the bag  
and there's an  
orange stain  
of  
greasy cheato fingers

Wash away  
Is bleach just not working for you?  
Wash away, oh wash away  
The stain  
Wash away Wash away  
The stain

## The Preacher

Plague, famine, lynchings and fire  
Shall fall about the earth  
The raven of Satan  
Shall pick at the white bones  
of liberals and socialists.  
And the Cheater King  
The King of Kings  
Shall be honored and glorified  
All stand now please for the flag  
Darwin Awards

## The Game

He changed the game  
He let the racists come out  
He altered the course  
He let the fascists come out  
The northbound end of a southbound horse  
The dear leader is here with his klansmen  
The dear leader is here with his klansmen of course

Until such time as he has nothing to buy  
Until such time as he has no way to lie  
Until such time as he can't play golf  
Until such time as his mask falls off

## Humpty & The Locusts

All the kings horses and all the kings men  
Wouldn't put Humpty Together again  
And so he too shall fall  
In a most curious way  
At the tiny hands  
And tiny teeth  
Of locusts from the east  
Tiny hands  
And tiny teeth  
Of locusts from the east

## Are You Mad Enough

Amerika  
Are you mad enough  
Are you sad enough  
Have you had enough  
Amerika  
Or,  
Are you just white upper middle class?  
Have you seen enough  
Have you heard enough  
Have you felt enough?  
Or,  
Are you just a Suburban?  
Just a Suburban  
Just a suburban

## Suburban Man

Suburban man  
Wife Muffy and the brats in Suburbanland  
Suburban man  
Golf clubs and a beer in your Suburban van.  
Have you seen enough, suburban man?  
Have you heard enough, suburban man?  
Or  
Is there just too much to do  
Around the house  
It's all too much, around the house

Mowing and harvesting his crop of inedible Ornamental grasses.  
Ornamental grasses  
Ornamental grasses  
Imported from Kentucky.  
And planted by servants from Mexico.  
Mexico  
"Mommy I want Mexican Tonight"  
Mexico  
"I want Mexican"  
Mexico  
"Are they really from Mexico "  
Mexico

"What is Mexico?"

These people  
Ornamental grasses  
Oriental grasses  
The Volvo Racist  
Uncle Frankie in the house  
Kentucky

## The Corona Lie

Go away now  
Go away now

Its all the democracy  
money can buy

So clueless in Amerika  
Why , oh why?  
So clueless in Amerika  
Why, oh why?  
So truthless in Amerika  
Why , oh why?  
So ruthless in Amerika  
Why, oh why

It's Corona Time  
in Amerika  
Why, oh why

The Corona Lie in Amerika  
The Corona Lie in Amerika  
What the hell  
Is going on?  
The Corona Lie in Amerika  
Just What the Hell  
Is going on?

## Enough is Enough

Enough is enough is enough is enough  
But when is enough, enough already?  
And when is already, already too late?  
And who is to blame  
And who is to hate?

## Corona Hymn II

The Senate and the House of cards collapses weakly  
And Wall Street burns itself into the ground  
The bible belt is melting with a hissing sound  
Into a holy pool of plastic goo  
The festive plastic goo

The stars all fall  
The stripes bleed out onto the highways  
The old rugged cross is upside down  
It was an intersection of two roads that led to nowhere  
Now people wander aimlessly around

## Amerika Amerika

Amerika  
Amerika  
Just what the hell  
Is going on  
In front of all our eyes?

Amerika  
Amerika

They've run you into the ground  
And put you up for sale.  
For sale.

## Corona Hymn III

There will be great wailing  
At the end of all the lies.  
The cheap glow of golden arches gone.  
The people all just lost their little minds For nothing  
Because Kingdoms always crash and disappear

## Epitaph of Fries

The Holy Drive Thru Empire falls and dies  
And belches out it's last batch of fries
